

“Leave a Message”

Lyric by: Raymond Blackwell

Music by: Eric Blackwell

Performed by: RayWellz

I'm so into what I do.

(Chorus One)

Can I live love laugh blow dis cash go right pass?

Got a couple X's I got'a buy a Lexus for

So when you hear the tone

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

(Verse One)

They say the best things in life our free but there's always a fee so ya broke and that's all you will be

I need ten of ya'll to give me a G and honestly I prefer we do this consecutively

I had a vision than I got my DBA yea it's hard but I never take the easy way

Even when I got that easy pay I knew it wasn't me had them real deep waves

Tell ya girl I got her covered no cover for instance speak it into existence

Inches from be'n where I wanna be know who I wanna be far from a wanna be you could do it to you just really got'a want B

Man up put ya hand if you a stand guy this a natural high supernatural I ain't igg'n ya call at my earliest convenience I'll get back to you all

(Chorus Two)

Can I live love laugh blow dis cash go right pass?

Got a couple X's I got'a buy a Lexus for

So when you hear the tone

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

Leave a message for (me, me, me, me)

(Verse Two)

You want something done right you better do it yourself and at least if it don't work you know you blew it yourself

First lesson in the game is stay true to yourself satisfactory flow can't factory dough never lie when the truth is speak'n

I remember when the roof was leak' n like I don't know what you was think'n but now
we in a roofless Lincoln
What goes around comes around so I'm through with cheat'n it's no bad kids but some
need a beat'n
I wonder what its like in Cleveland I wonder what's its like in D.C remember when we
met ant T.T.
She said that we could come anytime we was free free but we ain't had no ends so we
just watch T.V
But guess where we be over the seaweed sit'n first class and they serve'n us kiwi I ain't
igg'n ya call at my earlist convenience I'll get back to you all

(Chorus Three)

Can I live love laugh blow dis cash go right pass?
Got a couple X's I got'a buy a Lexus for
So when you hear the tone
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)

(Verse Three)

Sometimes I wonder do I love this more than my girl this more music in my veins than
blood
I'm on top of the world your so full of ya self I'm so full compliments to the chef ball'n I
aint paly'n the ref
I'm executive there's no better feel'n than direct'n kid not a rapper I'm a CEO I don't
fight a flight to Mexico
Do'n business like Pepsi Co. better for you better for us win win situation is what I'm
creat'n
I'm a hustle they say that you can't buy love while I got in a bottle must be do'n
something right ship'n it tomorrow
Everybody work'n I ain't try'n ta work when I'm twenty five plenty time I aint igg'n ya
call at my earliest convenience I'll get back to you all

(Chorus Three)

Can I live love laugh blow dis cash go right pass?
Got a couple X's I got'a buy a Lexus for
So when you hear the tone
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)
Leave a message for (me, me, me, me)
